1. Print the pattern pages at 100% and check the test squares (1 in / 2 cm).
2. Cut each piece from the listed felt color. Body: cut on the solid line.
3. Attach pieces to the body front layer by layer (lowest layer first).
4. Put front and back together, decorated side out, and stitch on the dashed line, leaving a 4 cm gap. Stuff firmly, then close the gap.
